**AMENDED CERTIFICATE**

(Issued January 15, 2002)

On January 4, 2002, Advanced Network Communications, L.L.C. (ANC), filed a request for an amendment to its certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (2001), to delete the authorization to provide service in the Lake View, Anton, Storm Lake, and Carroll exchanges. ANC states that it is not presently providing service to any customers in these exchanges. It will provide service in the Correctionville exchange.

The Utilities Board (Board) issued an order concurrent with this amended certificate, approving the amendment to the certificate and approving tariff revisions, which reflect the deletion of authorization for ANC to provide service in the four requested exchanges.

**IT IS THEREFORE ORDERED:**

The certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizing Advanced Network Communications, L.L.C., to

furnish local telephone service in the exchanges as shown by its tariff, is amended to delete the authorization to provide service in the Lake View, Anton, Storm Lake, and Carroll exchanges. Advanced Network Communications, L.L.C., is authorized to furnish local telephone service in Iowa exchanges as shown by its tariff as currently and subsequently approved.
